A blocked kick-out turned what looked to be a certain victory for Eastern over Western into a drawn battle yesterday on Georgetown Field, when Capt. Weaver, of Eastern, punted, after making the touchdown that tied up the game, and the Western eleven blocked the kick.

Cohill, who would have been called upon to boot the oval over the bar if the ball had been caught, in one of the best place kickers in the scholastic ranks, and it is ten chances to one that he would have scored the point that would have given Eastern the victory.

The game itself was one of the fiercest struggles witnessed on Georgetown Field this season, as it was hard fought from the kick-off to the final whistle.

On the first half, but in the final periods the light Eastern team played the boys from across the creek off their feet, walking down the field three times for a total of 160 yards, only to lose the ball on the first two marches on the Red and White team's line.

On the last attempt Weaver was shoved over the chalk mark for the touchdown that tied up the game from Western's 2-yard line.

Cohill and Manning advancing the ball to this spot by end runs and line plunges.

On the punt-out Weaver booted the ball badly, and the entire Western team was on the jump, blocking the catch and saving the Western Eleven's attack, as shown by the style of football they displayed yesterday.

Eastern Slightly Outweighed.

Eastern was again outweighed, the Western team being about five pounds heavier to the man than the Light Blue and White aggregation. The Western team was a much better eleven than faced Central and Technical; the boys knew more football and their defense was twice as strong as in the two previous games. In the first period, the Eastern backs could not gain at all through the Western line. The practice games with the Maryland Aggies helped the Western Eleven's defense, as shown by the style of football they displayed yesterday.

The line plunging and broken-field running of Capt. Weaver and young Cohill, of the Western eleven, stood out head and shoulders above the rest of the backs, as this pair of plucky pushers displayed more speed, better headwork, and harder plunging than the remainder of the backfield men put together. McCord and Howard, of Western, fought hard in the first half, but in the second half the whirling attack of the Hill youngsters swept them off their feet and they could not stop Coach Shea's crack eleven.

Cohill time and again went through the Western line for gains of from 3 to 10 yards, while Capt. Weaver was a demon on the defense, stopping the man with the ball after breaking through the line several times. Manning, playing right end, made several sensational tackles, getting McCord once when the Western

back had a clear field if he had gotten away from the speedy youngster from the Hill, Williams and Fisher put up creditable games, while Wells ran the team with rare judgment.

Eastern Open Up.

Eastern did not use the open style of play until the last period, when several forward passes were attempted, only two netting gains. The third was intercepted by McCord, who ran the ball back 10 yards from Western's 15-yard line. Hawley Smith did great work on the defense, time and again getting the Western backs before the play crossed the line of scrimmage.

Eastern's light backs could not gain the ground expected owing to the muddy conditions of the field, which hampered them in more than one way. On the other hand, Western seemed to like the wet going, and time and again McCord and Howard, who did the majority of the line plunging for the Western Eleven, hit the line for good gains. The wet field did not stop them in the least.

Western's fake kick formation fooled the Eastern eleven in the opening period, but after that the play was dead, as the Eastern ends waited for the man with the ball and picked him behind the line. Cohill worked an on-side kick twice, netting the Capital Hill eleven good gains.

Western Is Penalized.

The Eastern touchdown was aided by Stone, Western's left end, who caused his team to be penalized 5 yards for being off side when the ball was on Western's 7-yard line. From the 12-yard line Capt. Weaver had no trouble going over the line for the points.

Western's touchdown came in the first period after six minutes of play. Western held Eastern on the 15-yard line and Cohill booted the ball to the middle of the field. McCord went around right end for 30 yards, and "Buck" Howard hit left tackle for 8 yards. "Mac" was called upon again and went through the line for 8 yards. Western marched down the field, and Howard went around left end for a touchdown. McCord missed the goal, the point that would have won the game for Western.

VIGILANTS TO PLAY HILLTOPPERS TO-DAY

Southeast Eleven Will Clash
with Georgetown.

"VIRGINIA NEXT" IS WORD

Every Effort to Be Made to Make the Blue and Gray Eleven that Faces its Old Rivals One of the Best that Ever Represented Georgetown—East Practice.

Georgetown Will Line up against the

fast Vigilant Athletic Club football team this afternoon on the Hilltop in the last game before the annual battle with Virginia next Saturday, and as the crack aggregation from the southeast section is counted upon to give the Blue and Gray eleven a real battle, the game will be interesting from the start, as the team that will in all probability start against Virginia will begin the game against the Vigilants. The game will start promptly at 3 p. m.

Jimmy Dunn will most likely start the game in right half, the position he held down last year, and it is almost a certainty that he will start the Virginia game in that position.

The Vigilants have been practicing daily in anticipation of giving the Hilltoppers the best practice game they have had this season, and it is an assured fact that the Blue and Gray aggregation will not have the walkaway that they expect.

The squad worked hard yesterday, the scrubs and varsity battling for more than an hour in the fiercest kind of scrimmage, and at the end of the practice the score stood 5 to 5. Jimmy Dunn played right half on the scrubs and took things up, plowing through the "varsity" line time and again. Tad Donnelly reeled his first chance on the varsity, playing Hezary's end, and about 10 minutes later, Little Foley, playing quarter on the scrubs, went around the varsity ends time and again in toge, being injured in Thursday's practice on the scrubs, but he received in the Army game, and it looks as if Costello will start the game at quarter. Campanelli showed up so well yesterday that it seems certain he will be in the game, with "Nine Point Harry" running the team.

To-day's game in Baltimore between Virginia and Johns Hopkins will be watched with interest by more than one Georgetown man, as it will be the last chance they will have to see the Blue and Gray rivals in action, and while it is hardly likely that Virginia will uncover anything today, a good line on their defense can be gained, and Georgetown's attack will be planned to penetrate the Orange and Blue's line.

FAVORITES SPLIT ON HEAVY TRACK

Gartermann Captures Feature at Marlboro.

LAMPBLACK COMES TO GRIEF

When Favorite Stumbles at Third Jump Race Is Lost—Blanche Francis, at 10 to 1, Captures Second Event, Beating Out Jack Burdette at the Wire by Nose.

By GEORGE B. MORRIS.

Marlboro, Md., Nov. 10.—Considering the heavy going to-day at Marlboro, six of the best contested events at the Southern Maryland Fair Association grounds were pulled off. Favorites split even, while the other winning horses were liberally supported.

The feature event of the day was a steeplechase over the Columbia course. Gartermann turned up an easy winner. He made all the running, and the result was never in doubt. Lampblack, the favorite, came to grief at the third jump. He stumbled and threw his boy. Juveness, second, ten lengths behind, while Aggression was three lengths away.

Blanche Francis won the first event at 10 to 1. She was lucky to beat Jack Burdette, who was a nose away, as he was closing in on the winner. Had not Burdette chased himself to death after Chief Hayes, he surely would have won. Tippy, the favorite, was beaten a nose at the post. With a better break he would have won.

Tomorrow's card is a good one. The feature event is a race on the flat at a mile and five-eighths. The track is for army and navy officers. The race is for much better condition and some races should result. The summary:

FIRST RACE—Three-year-olds and up, five and one-half furlongs. Blanche Francis, 12 (Hanover), 10 to 1, won; Jack Burdette, 11 (Doni), 4 to 1, second; Day Bell, 15 (Grand), 3 to 1, third. Time, 2:01.2.

LOUIS CAVANAUGH, LACIA, and Lord Wells also ran.

SECOND RACE—Three-year-olds and up, five and one-half furlongs. Tippy, 10 (Hanover), 5 to 1, won; Starbuck, 12 (Robinson), 5 to 1, second; Tom Shaw, 10 (Grand), 3 to 1, third. Time, 1:51.2.

WELSH GEL, Hibernia, Paul Davis, and Niles also ran.

THIRD RACE—Steeplechase, about two miles. Gartermann, 15 (Johnston), 5 to 1, won; Juveness, 10 (Gains), 5 to 1, second; Aggression, 10 (Howard), 30 to 1, third. Time, 6:41.2.

LAMPBLACK, and The Speaker also ran.

FOURTH RACE—Three-year-olds and up, one and one-half miles. Joe Rock, 8 (Stonaker), 5 to 1, won; Our Nugget, 9 (Moody), 5 to 1, second; Silkie, 102 (Hanover), 5 to 1, third. Time, 1:14.5.

HELEN MUNRO, Pilsen, Helen Barbee, Tom Melton, and Laughing Kys also ran.

FIFTH RACE—Three-year-olds and up, one and one-half miles. Profile, 10 (Moore), 7 to 1, won; Mollie S., 10 (East), 2 to 1, second; El Oro, 13 (Fair), 3 to 1, third. Time, 2:01.2.

LOUIS CAVANAUGH, Lacia, and Lord Wells also ran.

SIXTH RACE—Three-year-olds and up, seven furlongs. Quality Street, 12 (Hoxkins), 8 to 5, won; Dr. Barkley, 110 (Whit), 2 to 1, second; Warner Griswell, 112 (Jackson), 3 to 1, third. Time, 1:34.
